Ticket Message:

In order to be better prepared for the Q&A session of the Community Coffee regarding the Lake Petit Dam repairs, it would be most useful for me and any other interested property owners to have access to the Geosyntec report.

1) Will you be posting this study to the POA website, and if so, when?

Thank you in advance for your help.

Patricia Cross

Patricia, as we indicated last night, we will not be posting this preliminary report. When we have concrete recommendations and a plan, we will setup the community coffee and you will be able to ask many questions.
