

# Where it would go

- Would augment the Board Designated Master Plan Fund created in 2019 by raising assessments \$25 per month as a capital earmark in 2020.
- Projected to raise approximately \$500,000 annually; had one been in place on Jan. 1, 2020, it would have generated more than \$750,000.
- All capital projects with a price tag of more than \$1 million (consumer price index-adjusted) must be voted on by Property Owners.
