Ticket Message:

Patricia, thank you for your question.

We are in the process of finalizing a lot of detail and that will take a little more time. We have of course agreed on the terms, it is just a matter of getting all the changes incorporated into the appropriate documents.

The cancellation of the Trust Deed will be filed in the Pickens County land records once completed and we will be happy to provide a copy of it to you once recorded.

However, the Term Sheet and SLOA (Service Level Operating Agreement) comprise a confidential contractual arrangement between UIG and the POA, and as you know we do not publish confidential contracts for a variety of reasons. It would take both parties to agree to publicize, and there are terms in the agreements that should not be public knowledge, as disclosure of those terms may cause confidentiality issues with UIG and their other contracts. Also, both the SLOA and the Settlement Agreement are documents which are not a part of the Association's books and records which Members are entitled to review.

Thank you

Terry Stewart

Thanks and Regards,
