**Ticket Message:**

Patricia,

We acknowledge receipt of your AskthePOA inquiry and appreciate your engagement. Please be assured that all comments, questions, suggestions, and responses are being documented and reviewed, and the full Board is being kept informed of each submission.

At this time, the Board is unable to disclose specific financial figures during ongoing contract negotiations in order to preserve the integrity of the negotiation process and maintain the association's bargaining position. Premature disclosure could also lead to speculation or misinformation within the community. Following best practices of not releasing more detailed information will ensure a fair and effective negotiation process that protects the association's interests.

As such, we are currently unable to provide any additional information beyond what was included in the email statement you received. However, the Board remains committed to keeping the community informed as developments arise.

Regards

Terry Stewart

Thanks and Regards,

Ask the POA
