18, 2018 (hereinafter referred to as the "SLOA"), such agreement memorialized in the First Amendment to SLOA, dated February 24, 2025.

Statement of Agreement

NOW, THEREFORE, in consideration of the covenants contained herein, Trustee and Utility covenant and agree and amend the Trust Deed as follows:

1. Paragraph 15 is amended to read in its entirety as follows:

"In the event that Utility meets the key performance indicators as identified in Exhibit A in the Service Level and Operating Agreement between Trustee and Utility, dated April 18, 2018, as modified by the First Amendment to the Service Level and Operating Agreement between Trustee and Utility, dated February 24, 2025, for three (3) consecutive years, Utility shall be entitled upon request to a full reconveyance of the utility system and property subject to the Trust Deed and the Trust Deed shall be cancelled of record. Such right shall remain effective even if Utility misses key performance indicators provided that upon missing key performance indicators, Utility will restart the time period to meet the three consecutive year requirement. Utility shall be entitled to make such request for the full reconveyance of the utility system and property subject to the Trust Deed and for the cancellation of the Trust Deed as of the date of the execution of the Fourth Amendment to the Trust Deed."

2. Except as specifically modified herein, the terms and conditions of the Trust Deed remain in full force and effect.

3. This Amendment may be executed in multiple counterparts, but all such counterparts shall constitute but one original.

IN WITNESS WHEREOF, Trustee and Utility have caused this Fourth Amendment to the Trust Deed to be executed as of the date first written above.
