Ticket Message:

Mrs. Cross,

I am responding to your questions on behalf of Terry Stewart, Board President, and the entire Board. Both the POA and Big Canoe Company (BCC) desire to have a written Trademark agreement between the parties. You are correct in that the topic has been briefly discussed a few times as noted in the Board meeting minutes. Even though we started discussions with BCC in mid-May, due to both parties having other separate business matters, license agreement discussions have been limited at this point. However, they are ongoing.

For this same reason, our Trademark attorney has had limited involvement to date regarding the BCC license agreement and legal fees have been relatively minimal.

Since we are still in discussions it would be inappropriate to share further details.

Should an agreement be reached we will update the community at that time.

Regards,

Sandy Pullara

Vice President POA Board of Directors

Thanks and Regards,
